"I think that I'm your typical Florida girl," covergirl Riley told us. "Having fun, partying, going to music festivals–that's what I'm all about. Now that I'm 21 and can go to bars, it's like a whole other world has opened up for me. Tampa has a ton of strip clubs and I love going there to watch the girls dance! I debated doing an amateur set once or twice, but I'm kind of a clutz!"

"I'm a total spaz when it comes to dating. I try to act ladylike, but then I'll end up having too many drinks, and I'll start making really bad jokes. But, I sometimes put out on the first date, so that makes up for it, right?"

JUST A MINUTE!

GETTING YOUR ROCK-HARD BONER BACK WITH A 60 SECOND WORKOUT.

We know you've heard of Kegel exercises, the workout for women to rebuild their vaginal tightness through pelvic exercise. But if you thought only women benefit from tightening their pelvis, then you'd be dead wrong.

If you're experiencing piss dribbles, loose bowels or even premature ejaculation as a side effect of diabetes, old age or even plain inactivity, then Kegel exercises will help you regain what you lost. In fact, 82 percent of men who practice Kegels reported better, longer lasting boners. The best part? You can blast out a set anytime, anywhere.

Here's the skinny on how to get your boner back, regain your confidence and satisfy your woman. First, you've got to locate the right muscles to tighten. Go take a leak and midstream, stop your flow. If you don't have to piss, imagine you're holding in a fart. That's the area you want to tighten.

Second, get your form down. You wouldn't walk into the gym for the first time in a decade and slap 400 pounds on the bench press! Tighten your pelvis for three seconds, and then relax for three seconds. Don't flex your abs, thighs or butt during this time. Good, now try doing that 10 times in a row. Remember to breathe deeply and regularly while you're contracting. Congratulations, you've just done your first set. Repeat this exercise three times a day and you'll be rock-hard again in no time. If you're still experiencing difficulty maintaining an erection or ejaculating too early after 12 weeks of doing this exercise routine, then there may be other issues at play. Smoking, alcohol use, belly fat and antidepressant use can all affect your boner health. Go see a doctor if you're worried!

This one simple workout will restore your erections and make you last longer!

You can restore lost size, too!

CONFESSIONS

Dear Naughty Neighbors,

My husband Sean tells me every day that I'm the perfect wife. I've always thought he was full of it, but I did something the other day that may have earned me that title. We have an active sex life and have incorporated threesomes into our sexual repertoire several times throughout our nine-year marriage. They have always been satisfying and exciting for both of us.

I found out that I was chosen for special management training at my job and I was going to have to be out of town for two weeks. In our entire marriage, Sean and I had never

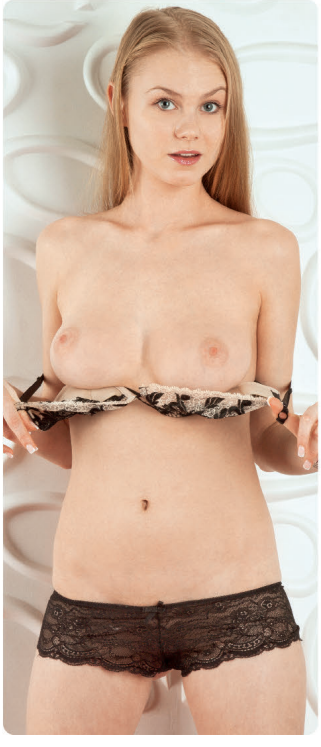
Anastasha

Sydney, Australia

Student
Age: 20
Born: January 16
Ht: 5'9"
Wt: 140 pounds
Bras: 34D
Panties: Cute and cotton
Anal: I'm warming up to it
BJs: Spit
Masturbate: Doesn't everybody?



We featured Anastasha in our July `17 issue. Her boyfriend is an aspiring photographer who wanted to get his foot in the door in the modeling world by submitting photos of his girl. "It worked," Anastasha informed us. "He put together his portfolio and used that letter of recommendation you blokes wrote him to secure a second job! He's now submitting photos all around Australia and the States."

"My guy invited me over to a studio he had rented for a photo shoot. He told me to wear something sexy. When I got there, he shot these photos of me! There was only one thing to do with them: Send them to *NN*!"

No Longer a Butt Virgin

"Since we spoke last time, we've started having anal sex! It's not a nightly thing for us, and we've only done it a handful of times, but I'm starting to get more comfortable with it. It's an entirely different feeling!"

A DOZEN GAPING HOLES

WHAT ELSE IS THERE TO SAY? YOU WANT GIANT, GAPING FUCK TUNNELS? YOU GOT IT!

Would you look at these stretched fuck holes? They're a thing of beauty, aren't they? If you're a fan of gapes, then you're a man of incredible patience and distinguished tastes. Unless the chick is a used up whore (which these chicks aren't), a gape is rare. And every guy appreciates the beauty of a snug cunny, but only a real pussy hound appreciates seeing that formerly tight hole stretched to the brink. This special is just for guys like you, friend!

DO YOU NEED SOME HELP?

Some girls are natural-born gapers, but others won't gape unless they're good and fucked. Even then, some especially tight women don't ever experience a good, pussy-stretching gape until they fuck a man packing a real whopper. Enter J-Mac, our resident gape-inducer. Look at what he did to little Sammy's formerly snug cunt! Cheryl and Victoria love anal masturbation so much, they stretched their assholes to the point of no return. Now they can gape on command!

MIMI
CHERYL

MOLLY

GAPING MEANS THEY'RE ALL CUMMED OUT.

When a woman cums, it's exhausting for her. Her whole body will shake and quiver, and all of her energy drains. That's how you end up with a beautiful, yawning cum tunnel!

Anal: I want to try
BJs: Swallow
Masturbate: I do it a lot

"I picked Luna as an alias because of the Japanese Manga comic book series Sailor Moon. My favorite character is Sailor Luna."

"I love having my toes sucked and my hair pulled. I'm into choking, and I've been really interested in golden showers lately, too. Rough sex is amazing, but it has to be with a great partner who you can also call a friend. Otherwise, it's just too intense. I'm always on the lookout for a hot, older man who really knows what he's doing and is willing to foster a special, kinky relationship."

Waiting Until She's Ready
"I've been experimenting with buttplugs and eating ass. I haven't taken a cock in my butt yet because I'm still a bit too tight, but I'm working on it! I love how taboo anal is. It's the final frontier in sex."

Born: August 9
Ht: 5'1"
Wt: 100 pounds

Bras: 32B
Panties: Cheeky thongs
Anal: Fingers only
BJs: Spit
Masturbate: When I'm high

As a general rule of thumb, we try only to shoot girls once because after they've posed nude, they're not really amateurs, are they? But every once in a while we come across a hottie like Jasmine who makes us break our rules. We ran a pictorial of her in our last issue, but we noticed her unique tan lines and asked her to return with her bikini. That's how we ended up with one of the hottest sets we've shot this year.

BEST
BOOTY

Cleared For Landing
"I love my landing strip. I used to shave everything off, but I realized that just made my pussy look like everyone else's. Now when I hook up with a guy, he'll remember exactly what my cunt looks like."

Scarlett

Boca Raton, Florida

Age: 21
Born: August 9
Ht: 5'10"
Wt: 135 pounds

Bras: 34C
Panties: Thongs
Anal: Nope
BJs: Swallow
Masturbate: Just with my fingers

Don't let Scarlett's tats fool you; she's a good girl with a heart of gold. "I love my tattoos, but they seem to surprise people when they see them on me," Scarlett explained. "I guess because I speak quietly and I'm kind of a goody-two-shoes, nobody expects me to have ink. I think tattoos are sexy and they can express your inner personality externally."

"My perfect date would be something laid back and fun. My boyfriend took me to the arcade on our first date. It was the perfect way to get to know each other! We played mini golf and then raced go-karts. We've gone back on our anniversary for the past two years. Last year, we bet on who would win which game. I ended up smoking him at mini golf, so he had to eat me out in the car before we raced the go-karts. He beat me at that, so I blew him on the drive home."

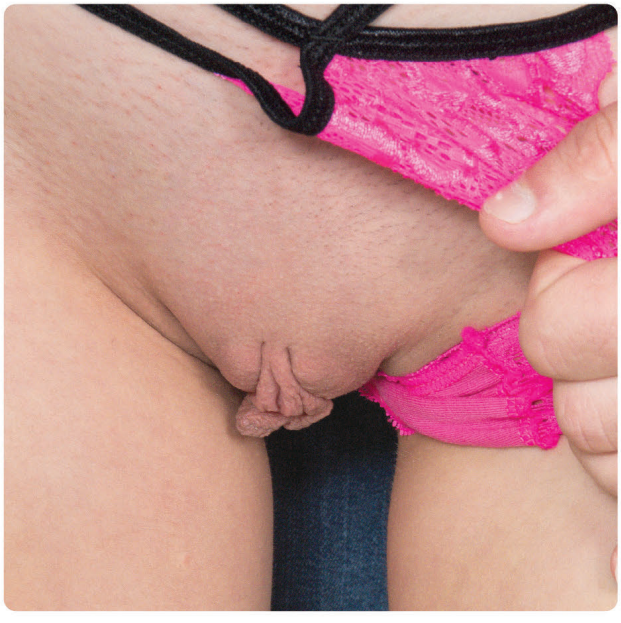
Good Girlfriend
"I know that a lot of girls don't like swallowing, but I don't mind it. It's not like I'd order cum-flavored ice cream or anything, but I enjoy pleasing my boyfriend. He loves it when I swallow."

Anastasia

Boise, Idaho

Student
Age: 18
Born: September 24
Ht: 5'4"
Wt: 105 pounds
Bras: 34A
Panties: Not usually
Anal: I can cum from it!
BJs: Swallow
Masturbate: All the time

Guys, you'll probably be seeing Anastasia all over the place in the next few weeks. This is her first XXX photo shoot, but we have a feeling it won't be her last. After all, why would a sex-crazed 18-year-old with a cum-hungry pussy stop shooting porn? It's a match made in heaven. "I was counting down the days until I turned 18 so that I could come shoot porn for you guys," she told us. "I'm a naturally sexual person, and I love big dicks, so it's a natural fit. I can cum really easily, too! It's actually kind of embarrassing."



"I'm enrolling in college, and I want to make sure none of my classmates see these pictures. I had a lot of fun back in high school and I dated a lot. Some people started calling me a slut, and I sort of wore that as a badge of honor, but it didn't make me feel great. It was meant as an insult, and that sucks. So what if I enjoy sucking and fucking?"

"Cumming makes me feel more comfortable with my body. I'm normally a hyper person and my brain goes a million miles an hour, but after I cum, I can relax. When I play with my clit, I get so wet and sweaty, and my body turns all red, then I climax and I feel this rush of energy leave my body. But when I cum on a guy, I get more energetic and will stay that way until he busts!"

"I love pornography," Izabella informed us via email. "I love magazines the most because they are more tactile than the Internet. I can flip through the pages and run my fingers over the images while I masturbate. I have always wanted to be in a magazine."

She Has The Gift

"I am in a relationship with the woman who shot these pictures. When I told her that I wanted to be in a smut magazine, she insisted that she shoot the pictures. I think she did a great job."

gone two weeks without having sex. I was excited by the opportunity, but I felt bad about leaving my husband high and dry for that long. Then I had an idea. Sean, like all men, loves getting blowjobs. I was going to find a woman to give him a blowjob while I was away on my business trip.

I posted to a local swinging website, Craigslist and a forum for kink enthusiasts. I wrote that I wanted a woman to suck his cock and that her boyfriend or husband would film the action for me. Let me tell you, the Internet is full of scam artists and horny college boys who interpret every post as reading, "send me dick pics." But, eventually I hit pay dirt. "Vixen" contacted me a few days after I posted my request. Her email was well thought out and very polite. She included photos and I was happy to see that she was around our same age and in very good shape. Her tits were way bigger than mine and she was much taller than me, but I felt more excited for my husband than jealous.

I told my husband about my devious plan the day before I left. He pretended to protest, but I convinced him that I desperately wanted to see him shoot his cum on another woman's tits while I was away. He acquiesced quite quickly after that. I set the date and told Sean when to arrive at Vixen's house, then he dropped me off at the airport the following day and kissed me goodbye. I could tell that he was feeling as excited about my plan as I was.

Sean called me on the day of the rendezvous. "I'm about five minutes from their house right now," he told me nervously. "I'm already halfway hard. I can't believe this is happening!" I told him that I was lying in bed in my hotel room and that I was ready to watch him perform. We chatted until he got to the door. Just then, my iPhone buzzed. Vixen's husband was calling me using FaceTime. I hung up with sean and picked up the video call.

I watched Vixen stand up and walk to the door. She was wearing a bright pink string bikini. Her makeup was laid on thick, but it was flawlessly applied. She looked like a bimbo slut and I couldn't

wait to watch her with my husband. She welcomed Sean into their house and Vixen's hubby circled around them, catching their awkward half-hug and kiss on the cheek. Sean was nervously shaking, but Vixen took him by the hand and led him to their couch. "You have a very kind wife," she told him. He looked at the camera and told me, "I really do. I love you, baby! I hope you enjoy the show."

The sexual tension was staggering. Vixen leaned towards my husband and coyly held her face right in front of his until he placed his hand on the back of her head, pulling her in for a kiss. My fingers slid down into my panties and began to caress my inner thigh. I was aroused, a little jealous and anxious for the sucking to begin. Vixen's hand reached down and began to massage the throbbing cock underneath her. Her husband must have kneeled down with the camera because my iPhone's screen was entirely filled by the image of this woman massaging my man's dick. I heard Sean moan and my fingers slipped over to my clit, sending electricity through my body. Vixen's hand darted into his pants for a moment, then reappeared with my hubby's glistening cock. She began to grind her pussy onto his knee while she stroked him. I realized I was biting my lip while I masturbated, wanting desperately to be where she was.

Ava works part-time in a call center for DirecTv. "It's an alright job," she says. "But it can get kind of boring. I masturbate at work all the time. When I can't get myself to cum, I have a coworker that I fool around with on our lunch break. He can usually get me off out in my car. Sometimes you need a mid-day pick me up!"

"I've been with a couple of girls before," Ava gushed. "And I've loved it! Women are so sensual. My favorite thing in the world is having my pussy eaten, and women just kind of 'get it.' Y'know? I've been the first girl some of my hookups have been with, and they were still better than some guys who prided themselves on their pussy eating skills! But I could never give up cock. There's something so satisfying about riding a big, fat dick until I cum."

Free The Nipples
"When I go out, I usually wear leggings and a dress or jeans and a T-shirt. I'm so jealous of how guys get to walk around shirtless in the summer. If I could get away with that, I'd never wear a shirt."

"My girlfriends would never expect me to do this. I haven't decided if I'm going to tell them about it," Cecilia said. "And even if they do find this, if they ever figure out who took the photos, it'll be non-stop gossip. My FWB is awesome in bed. He took the photos. After a typical session when we've fucked three or four times, I'm so totally exhausted–and totally satisfied–that he has to let himself out of my apartment. I'm a very lucky girl."

"I'm glad I can afford to live alone because I'm really loud in bed. When I cum, I tend to dirty talk and moan. And I always cum more than once. One time, my FWB and I fucked so hard, we broke my shitty bed from IKEA. The whole thing fell apart. My neighbor actually came over to see if I was alright. I answered the door in a bathrobe, sweating and shaking and obviously feeling flushed. He must have known what I was up to because he started to blush and then stammered out an apology. For all I know, my tits were hanging out. I tend to get a little sex drunk when I've cum. My knees go weak and I get the wobbles."

They Don't Match
"My hair has a natural red tint to it, but my bush grows in brunette. It's kind of irritating because every guy I've been with asks me if the carpets match the drapes. I would love to able to grow out a red bush."

NINA

WARSAW, POLAND AGE 22

BUSH BABY

How many Polacks does it take to make your cock hard? Just one! Nina is this month's Bush Baby. When we first saw her pictures, we knew we had to give her the title. Her pubes are thick and dark, making her hair easy to see as it juts out of her soft, pink panties. Nina is as natural as it gets. She doesn't even shave her pits! We know that turns some guys off, but we don't mind if a girl has hairy pits so long as she shaves her legs, which Nina does.

BUSH BABY

Nina's bush is wild and unkempt, exactly as we like it. She even has a light trail leading up to her belly button! We can imagine spending hours with our noses pushed deep into her snatch, licking and sniffing her wet, fragrant cunt. For that honor, we'd even share her with her boyfriend. "He's a hippie who loves my fur pie," she explained. "We're very 'free love' in the sense that even though we're involved, we're free to do whatever we want whenever we want."

Wanted: A Hairy Honey

"My guy shot these photos. We originally used them online to try to find another girl for a threesome. Then I suggested we send them in to make some extra cash."

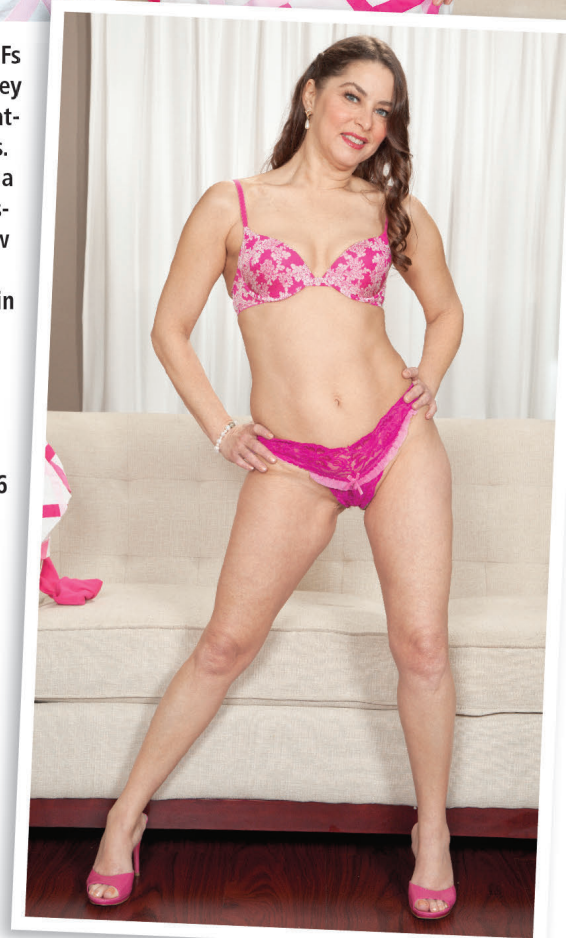
BJs: Swallow
Masturbate: Of course!

Guys, do you love MILFs as much as we do? They are so much more relatable than 18-year-olds. For instance, Carrie is a car girl. She loves classics. We asked her how she lost her virginity and she said, "It was in the back seat of a 1960s Coronado. I don't remember the guy." Then we asked her what her dream car is. "Definitely a `66 Mustang fastback," she replied without missing a beat. "And make it a GT if you're offering," she added with a wink. See what we mean about MILFs? They're just as likely to chat about cars as suck the jizz out of your dick. We like that.



Brava! Encore!

"Hubby and I recently had sex in the balcony of a historic theatre in my hometown. We were the only ones up there, so I started blowing him. One thing led to another and I ended up riding him!"

pussy when Vixen knelt on the ground and began to suck Sean's nuts. She pulled off his pants, spread his thighs wide and began to hungrily slurp at his balls. Her husband moved again, this time lining up right behind Sean so I could see what he was seeing. I watched as Sean slid his fist behind her ear and gently grab a handful of hair. He softly guided her head up to his waiting cock and she began to suck him–Passionately and slowly at first, but then deeper and more aggressively.

Vixen's slobber began to run down my husband's shaft, and when she looked up and locked eyes with him, I plunged another finger into my soaking wet cunt. I was close to cumming and didn't think anything could be hotter than what I was seeing on my screen. Then Vixen's gaze slide over to the camera and she addressed me personally. "I'm going to make your husband cum on my big tits. I'll bet you wish you could feel that, don't you?" Then she took his entire length into her mouth and began to gag and bob on his engorged dong.

and pushed her back a bit so that she was kneeling before him. The cameraman lined himself up next to him. Sean gripped the base of his dick and brought it to Vixen's open, waiting mouth, and he began to pump into her throat. He fucked her mouth for around a minute and I watched as she gagged and drooled onto her tits. When Sean moaned, I knew he was about to blow. I frantically rubbed my clit and started to cum and squeal loudly just as my husband spurted his seed on Vixen's tits. The first shot of cum landed squarely on her giant left tit. The second one hit the right. A surprise third shot got her chin and then fell into the crevice between them both. Vixen took him back into her mouth and nursed out any remaining jizz.

"Holy fuck," the cameraman broke the silence. "Did he do good for you, baby?" he asked his sticky wife. "Mmm..." she happily sighed as she rubbed Sean's wet, sloppy dick on her face, further smearing her mascara and lipstick. She looked just like the cock whore I imagined when I set the whole thing up.

"I'll call you in a bit," Sean said to the camera as he started to get dressed. "But baby, listen. Thank you. You really are the best wife ever." For the first time since he started saying that, I understood exactly what he meant. **NN**

Vienna would be the first to tell you that she's not a natural fit for a porno mag girl. "I'm goofy and kind of shy," she explained. "And I know I don't look like a Bond girl, but I'm extremely horny all the time! There's nothing I don't like about sex: anal, threesomes, cum play, rape fantasies–whatever you want, you can bet your ass that I'm into it, too!"

"One time, I had sex in a public park during a disc golf tournament. I was there to support a friend, but I ran into a hot guy and we ended up going behind a tree and banging! The whole encounter only took 15 minutes!"
CUTEST FACE

Take The Reins

"I'm naturally passive when it comes to sex. That doesn't mean that I'm lazy! I just respond better when the guy orders me around and tells me how to please him. I like a man who can take control."

"In the past year, I've graduated high school, got my first full-time job, broken up with my high-school boyfriend and had my first two threesomes! My old BF wasn't willing to grow sexually and explore with me, so I dumped him. Around a week later, I fucked my best friend and her boyfriend! A week after that, I took on two of the guys I work with. It was a pretty wild month."

"I love cum. I always have. The first time I had sex, I was paranoid about getting pregnant even though we were using a condom. I had the guy pull out, take off the condom and fuck my mouth until he jizzed and I swallowed it all. But if I'm not swallowing, I at least want the guy to shoot his stuff on me. I love being sticky and covered in nice, hot cum. My favorite place is on my face, followed by my ass and then my tits. I hate it when the guy hits my belly button! It's such a waste of a good load."
